

# Best in KLAS for risk adjustment

KLAS, an independent healthcare research firm, awarded Vatica the 2024 **“Best in KLAS”** distinction among all risk adjustment vendors. KLAS recognizes software and services organizations that excel in helping healthcare professionals deliver better patient care. Vatica earned the highest marks from payer and provider customers for the **second consecutive year**.

Vatica has also earned the top score among risk adjustment vendors in the KLAS Risk Adjustment 2024 report. See the chart below for more details from that report.
